technology
for all

Lenovo

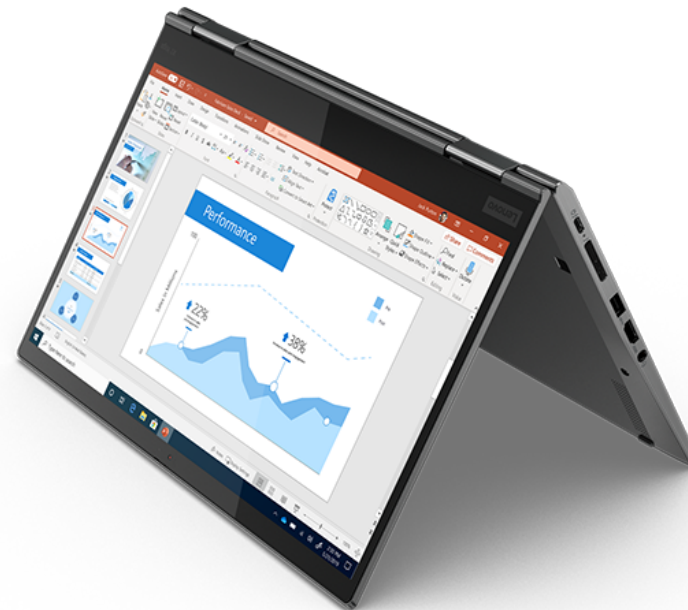

Stay productive from anywhere with this versatile ultra-light 14" convertible that can seamlessly adapt to suit different work styles. Premium features include Dolby Atmos technology for an immersive audio experience, Modern Standby that enables near-instant resumes and an onboard digital pen to take notes or annotate documents on the fly. The battery can easily outlast your workday while MIL-SPEC durability ensures it can withstand the bumps and bruises that come with being on the move.

REASONS TO BUY

The 360° hinge supports four functional modes. Use the tent or stand mode when watching videos or making in-person presentations to peers or partners. The tablet mode is perfect for working on the move and laptop mode for other day-to-day tasks.

Display options include a 4K display with Dolby Vision HDR for rich and vibrant visuals, FHD display with PrivacyGuard technology that protects on-screen data from shoulder surfers, and a WQHD option with touchscreen capabilities.

Minimal preloaded applications mean maximum battery life and responsiveness for users, and faster deployment for IT admins.
